| MATCH YOUR VISION, STYLE AND CENTER NEEDS | | |
| Three Coordinated Seating Styles - Choose from the Infinity, Synergy and Energy Collections which coordinate with the Harmony Ball Return and Masking Lines | ● | ○ |
| Infinity Collection - Offers a variety of sofa shapes and sizes, or combine three modular building blocks to create endless combinations | ● | ○ |
| Synergy Collection - A complete selection of upholstered seat benches, ranging from one to four seats, available in straight or curved configurations, with and without end and union tables | ● | ○ |
| Energy Collection - A comprehensive set of hard seat benches, chairs and stools made on a solid metal structure with durable, easy to maintain laminate seats | ● | ○ |
| Harmony Ball Return - State-of-the-art technology and electronics, compact, colorful, stylish and coordinates with the Harmony Furniture and Masking Lines | ● | ○ |
| Opto-Electronic Sensing Technology - The motor runs only when the ball arrives and stops if hands or objects are inserted, improving energy efficiency and safety | ● | ○ |
| Compact & Ergonomic Design - A smaller footprint minimizes congestion on the approach. The hood is designed to cover the ball exit, providing more protection for bowlers | ● | ○ |
| Quick Access Hood - The hood is designed to be removed with minimal effort, making maintenance faster and easier | ● | ◇ |
| Harmony Masking Collection - Unique designs to complement Harmony Furniture and Ball Return Lines | ● | ◇ |
| MAD Lanes - Now available in a choice of colors to provide another tool to help you create the "wow" factor, differentiate from your competition, and fit your center's theme and color palette | ● | ◇ |
| Twelve Expert Color Concepts - Each color concept has been designed to create a harmonious effect between the furniture, masking graphics, ball returns and interiors. Each delivering a different look, experience and emotion | ● | ○ |
| Three Coordinated Seating Styles and Price Levels - Infinity, Synergy and Energy seating are priced at three different levels. Mix and match elements within your center and within your budget | ● | ○ |
| Turnkey Front End Solution - All front end components—all furniture elements and styles, ball returns, masking units and lanes—have been designed as a total solution that coordinate and function together | ● | ○ |
| ACCOMMODATE YOUR DIVERSE CUSTOMERS' NEEDS | | |
| Modular and Reconfigurable - Rearrange modular furniture elements as needed to create different layouts with enlarged settee allowances spanning groups of lanes. Ideal for parties, groups and events business | ● | ○ |
| Sofa Lock/Unlock Mechanism and Wheels - Securely lock, easily unlock and quickly move the sofa elements as needed | ● | ○ |
| Modular Coffee Table - Can easily be split into smaller personal tables or combined into different shapes | ● | ○ |
| On-Lane Wedge Table - Uniquely fits in between the back of Infinity sofas or Synergy and Energy benches to store house balls or bowlers' personal items | ● | ○ |
| Arrow Table - Designed to fit between the back of Infinity sofas, together with the wedge table, or can serve as a personal table | ● | ○ |
| Smart Integrated Storage - Personal items can be accommodated under the sofa or bench seating or under the coffee table, on-lane wedge table or concourse table with optional shelving | ● | ○ |
| Comfort-Focused Design - Seating is made of a properly balanced soft material and designed with optimized backs and angles for ease of getting up to bowl | ● | ○ |
| MAKE MAINTENANCE EASY AND COST EFFECTIVE | | |
| Replaceable Upholstered Items - Upholstered items like seats and backs of Infinity and Synergy Collections are removable | ● | ◇ |
| Synthetic Seat Material - The Energy Collection seats are made of a laminate material rather than plastic or wood | ● | ○ |
| Cleanable, Stain-Resistant Surfaces - All Harmony surfaces are dirt- and stain-resistant | ● | ◇ |
| Highest Grade Upholstery - Infinity and Synergy upholstered fabric choices are commercial grade | ● | ◇ |
| Conformance to Fire and Structural Regulations - Built in compliance with ANSI BIFMA standards and with CAL-133* and EN1021-1/EN1021-2 flammability requirements | ● | ◇ |
