

2013 QubicaAMF BOWLING WORLD CUP

BOWLER AGREEMENT - WOMEN'S DIVISION

As the _____ (name of country) representative into the 2013 QubicaAMF Bowling World Cup, I hereby agree to all conditions set out on this form and that my signature is required on this form before I am permitted to bowl in the tournament.

I understand that it is my personal responsibility to acquire the necessary travel documents (including transit visas) and inoculations, etc, for travel to the tournament. I agree that, if for any reason, I cannot obtain the necessary visas, I will relinquish my position and my right to represent my country in the tournament and allow the next available qualified bowler to take my place.

It is understood that the organisers will not accept any charge for overnight accommodation or meals, etc, incurred en-route to or on return from the tournament.

Furthermore, I agree that the organisers will not accept any excess baggage charges on either outward or return journeys. I will be personally responsible for excess baggage charges and must make payment myself as prescribed by the airline. I understand that baggage includes cases containing clothing, bowling balls, bags, souvenirs, etc, in fact, anything that the airline declares as Luggage.

I understand that the organisers will accept no responsibility for lost baggage or money, sickness or injury, etc, which may occur while I am away from my home country. Therefore, if I want insurance coverage, I will arrange for it myself and at my personal cost.

It is understood that I will be required to share a twin bedded room with another bowler. Should I request a single room, I agree to pay the difference myself in full or guarantee the amount by a valid credit card on arrival at the hotel and advise the QubicaAMF Bowling World Cup office in Hemel Hempstead by 30th September 2013 at the latest. The organisers are in no way responsible for any outstanding bills charged to my room.

I am also aware that the organisers accept no responsibility whatsoever for out of pocket expenses for meals, etc, and that should I find myself with inadequate funds, they are in no way obligated to assist.

It is also agreed that I will attend **ALL** official functions which are run in conjunction with the event and will travel prepared to attend events which require formal dress. I hereby agree to fulfil the tournament schedule, which is not complete until after the Victory Banquet is finished.

In the event that I am the eventual winner of the tournament I agree to stay for one extra day at the organisers' expense, for the purposes of publicity if so requested.

I furthermore agree that all photographs, films/recording taken in connection with the event are the sole property of the organisers for their own publicity purposes.

It is understood and accepted that before the tournament starts, my bowling ball will be checked for weight, balance, etc, in accordance with WTBA regulations and should the ball fail to pass these test, it must be adjusted (if possible) or replaced at my own cost.

I confirm that the local tournament co-ordinator has explained all details on travel, expenses, uniforms and official papers as outlined in the 2013 QubicaAMF Bowling World Cup Operations Manual.
