

## Warmest Wishes

The holiday season is the perfect time to extend warm wishes to your customers. Whether the center is open for business or anxiously awaiting that day to come, remind the customers just how much they mean and how much their business is appreciated.

If you haven't listened to our most recent [Beyond the Frame Live interview with Tim Morrow](#), President and CEO of the San Antonio Zoological Society, take time to listen as Tim shares his story on the eagerness that locals have to help the icons of the community survive these tough times. We are all in this together and together we will survive and come out stronger and better than ever before.

As a token of our appreciation for being a loyal QubicaAMF customer we have provided a [Warmest Wishes MMS Ad](#) and [Warmest Wishes Facebook Post](#) so you can share with your customers.
