### Qubica Amf reports shift to Bes X

June 17, 2015 - Mechanicsville, VA

**With over 350 centers worldwide having BES X, its newest, and world's only, Bowler Entertainment System, installed to-date, the company is noticing a steady shift by centers with competitors' systems to BES X.**

QubicaAMF Worldwide is the leading manufacturer of bowling and mini bowling products. With over 350 centers worldwide having BES X, its newest, and world's only, Bowler Entertainment System, installed to-date, the company is noticing a steady shift by centers with competitors' systems to BES X. Centers, almost universally, continue to report the need to increase bowler engagement, drive repeat business and reach new demographics while still appealing to their league business. Centers that have moved to BES X are confirming these results.

"We are thrilled with the success that our customers are experiencing with BES X. In addition to reporting

typical increases in total revenue upwards of 20%, centers are telling us that the unique features built into BES X are helping them reach new customer segments and engage consumers on a whole new level," says Juan Cabezas, President and Chief Growth Officer of QubicaAMF Worldwide. "We have a passion for innovating products that make our customers more successful. We are excited to see BES X deliver on this and are committed to continue to invest in and grow this product based on the demands of bowling consumers and the needs of proprietors."

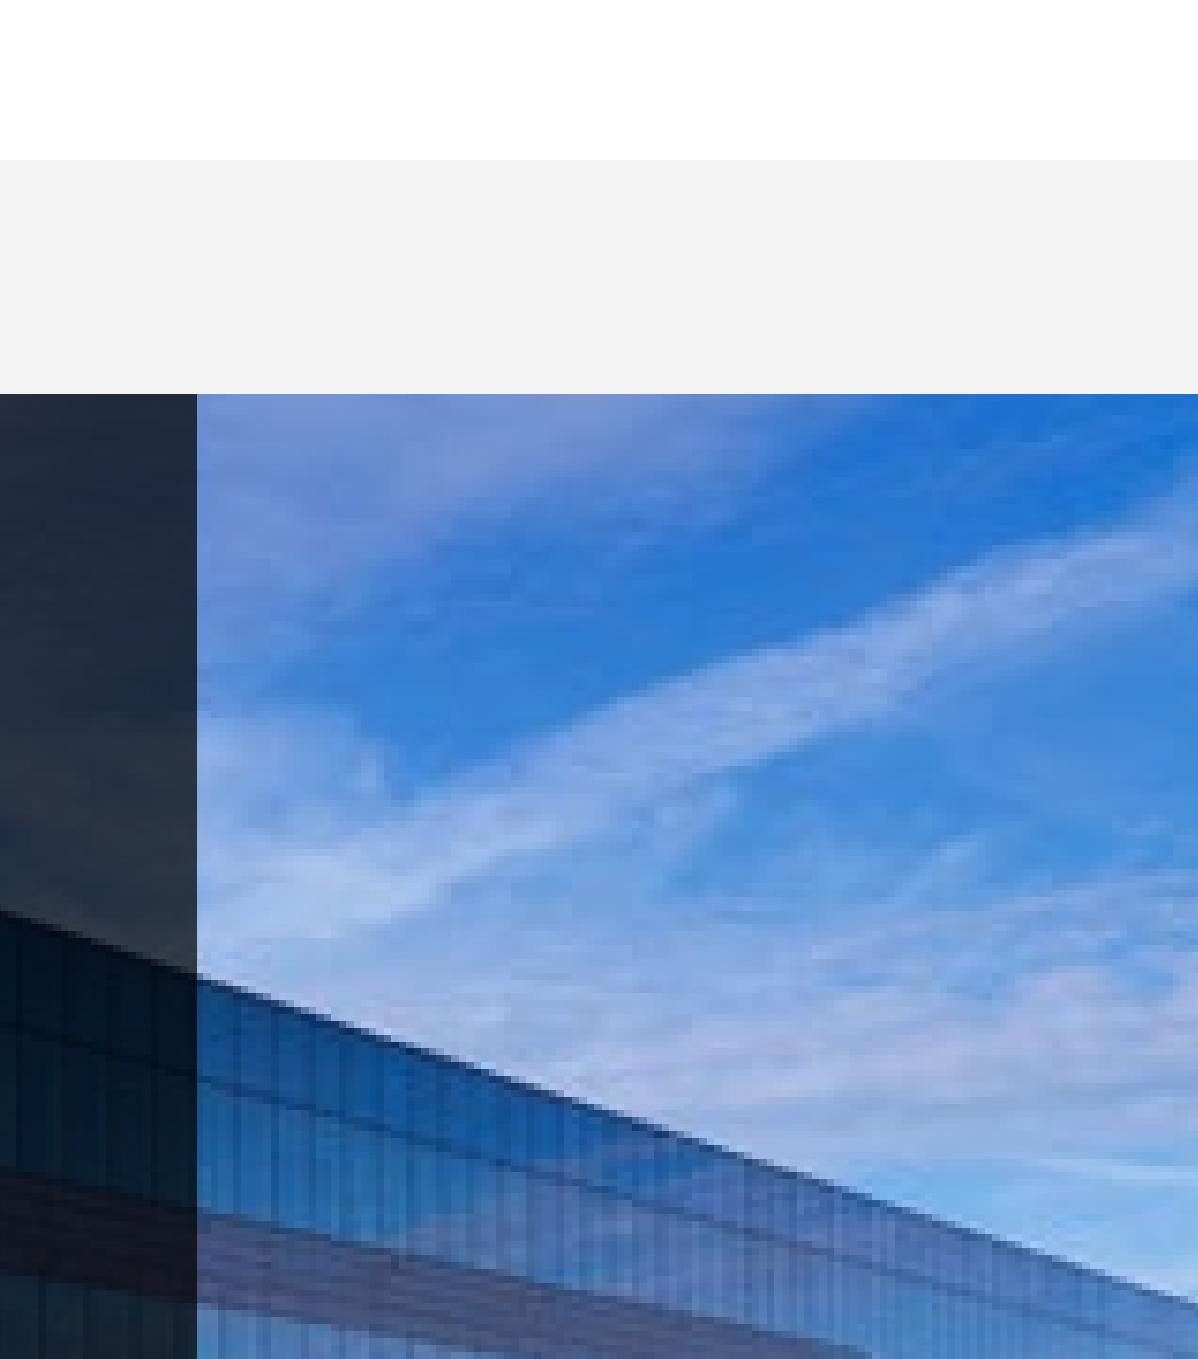

"We are seeing a real shift in the market," says Jay Buhl, Senior VP of Sales, The Americas for QubicaAMF Worldwide. "Centers are moving to BES X because it provides such a unique and comprehensive set of features to that are helping them drive specific segments of their business, like YouToons for corporate and teambuilding parties, Monster Factory for birthday parties, and the shorter format Mad Games for open bowlers. We are hearing these

stories from proprietors over and over again.

## **Qubica AMF Global**

QubicaAMF is the joining of two industry giants, AMF Bowling Products, a U.S. firm known for its invention of the automatic pinspotter; and Italian Qubica Worldwide, whose supremacy in scoring and management software brought the world BES, the first and only comprehensive Bowler Entertainment System.

This merger in 2005 created one of the largest and most respected companies in the bowling and amusement businesses, with global headquarters in Richmond, Virginia, and European headquarters in Bologna, Italy. With over a century of combined experience, we have sales offices in 15 countries, and distributors in every corner of the globe. We employ the largest R & D team in the industry. And, we have sold, serviced and installed over 10,000 centers in 90 countries.

But, what really sets us apart? Relentless passion. An unrivaled global outlook. A progressive mission for the future. And an unwavering devotion to your success.

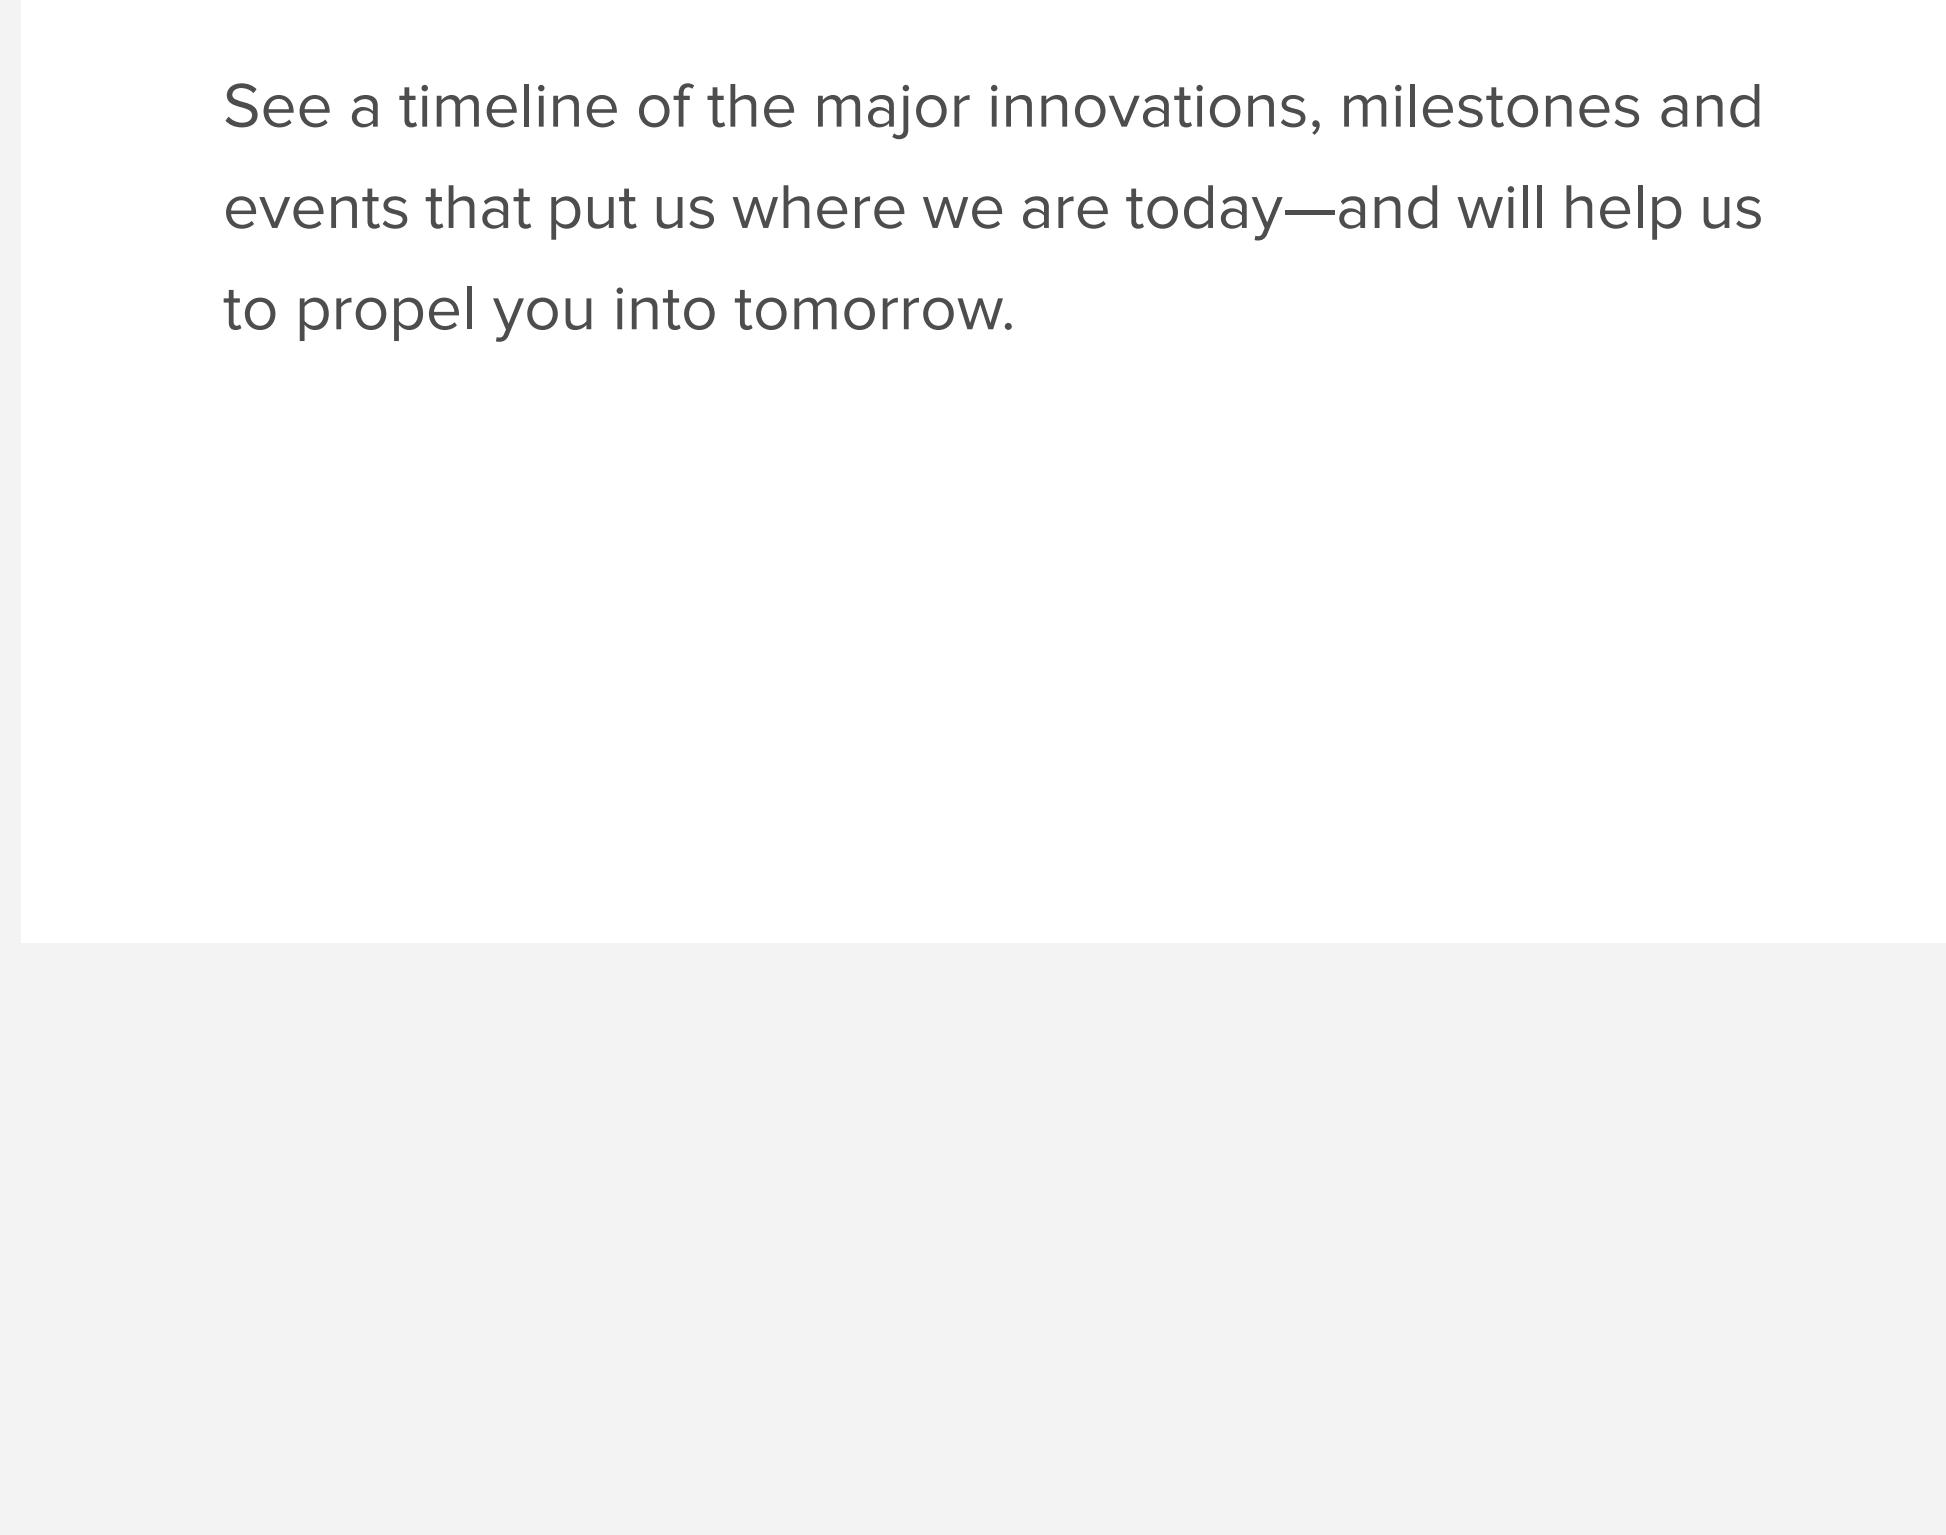

### **WHO WE ARE**

At QubicaAMF, we dedicate ourselves to work with our customers around the world, continually developing new solutions to grow their business and take the bowling industry to the next level much more than a simple bowling equipment suppliers.

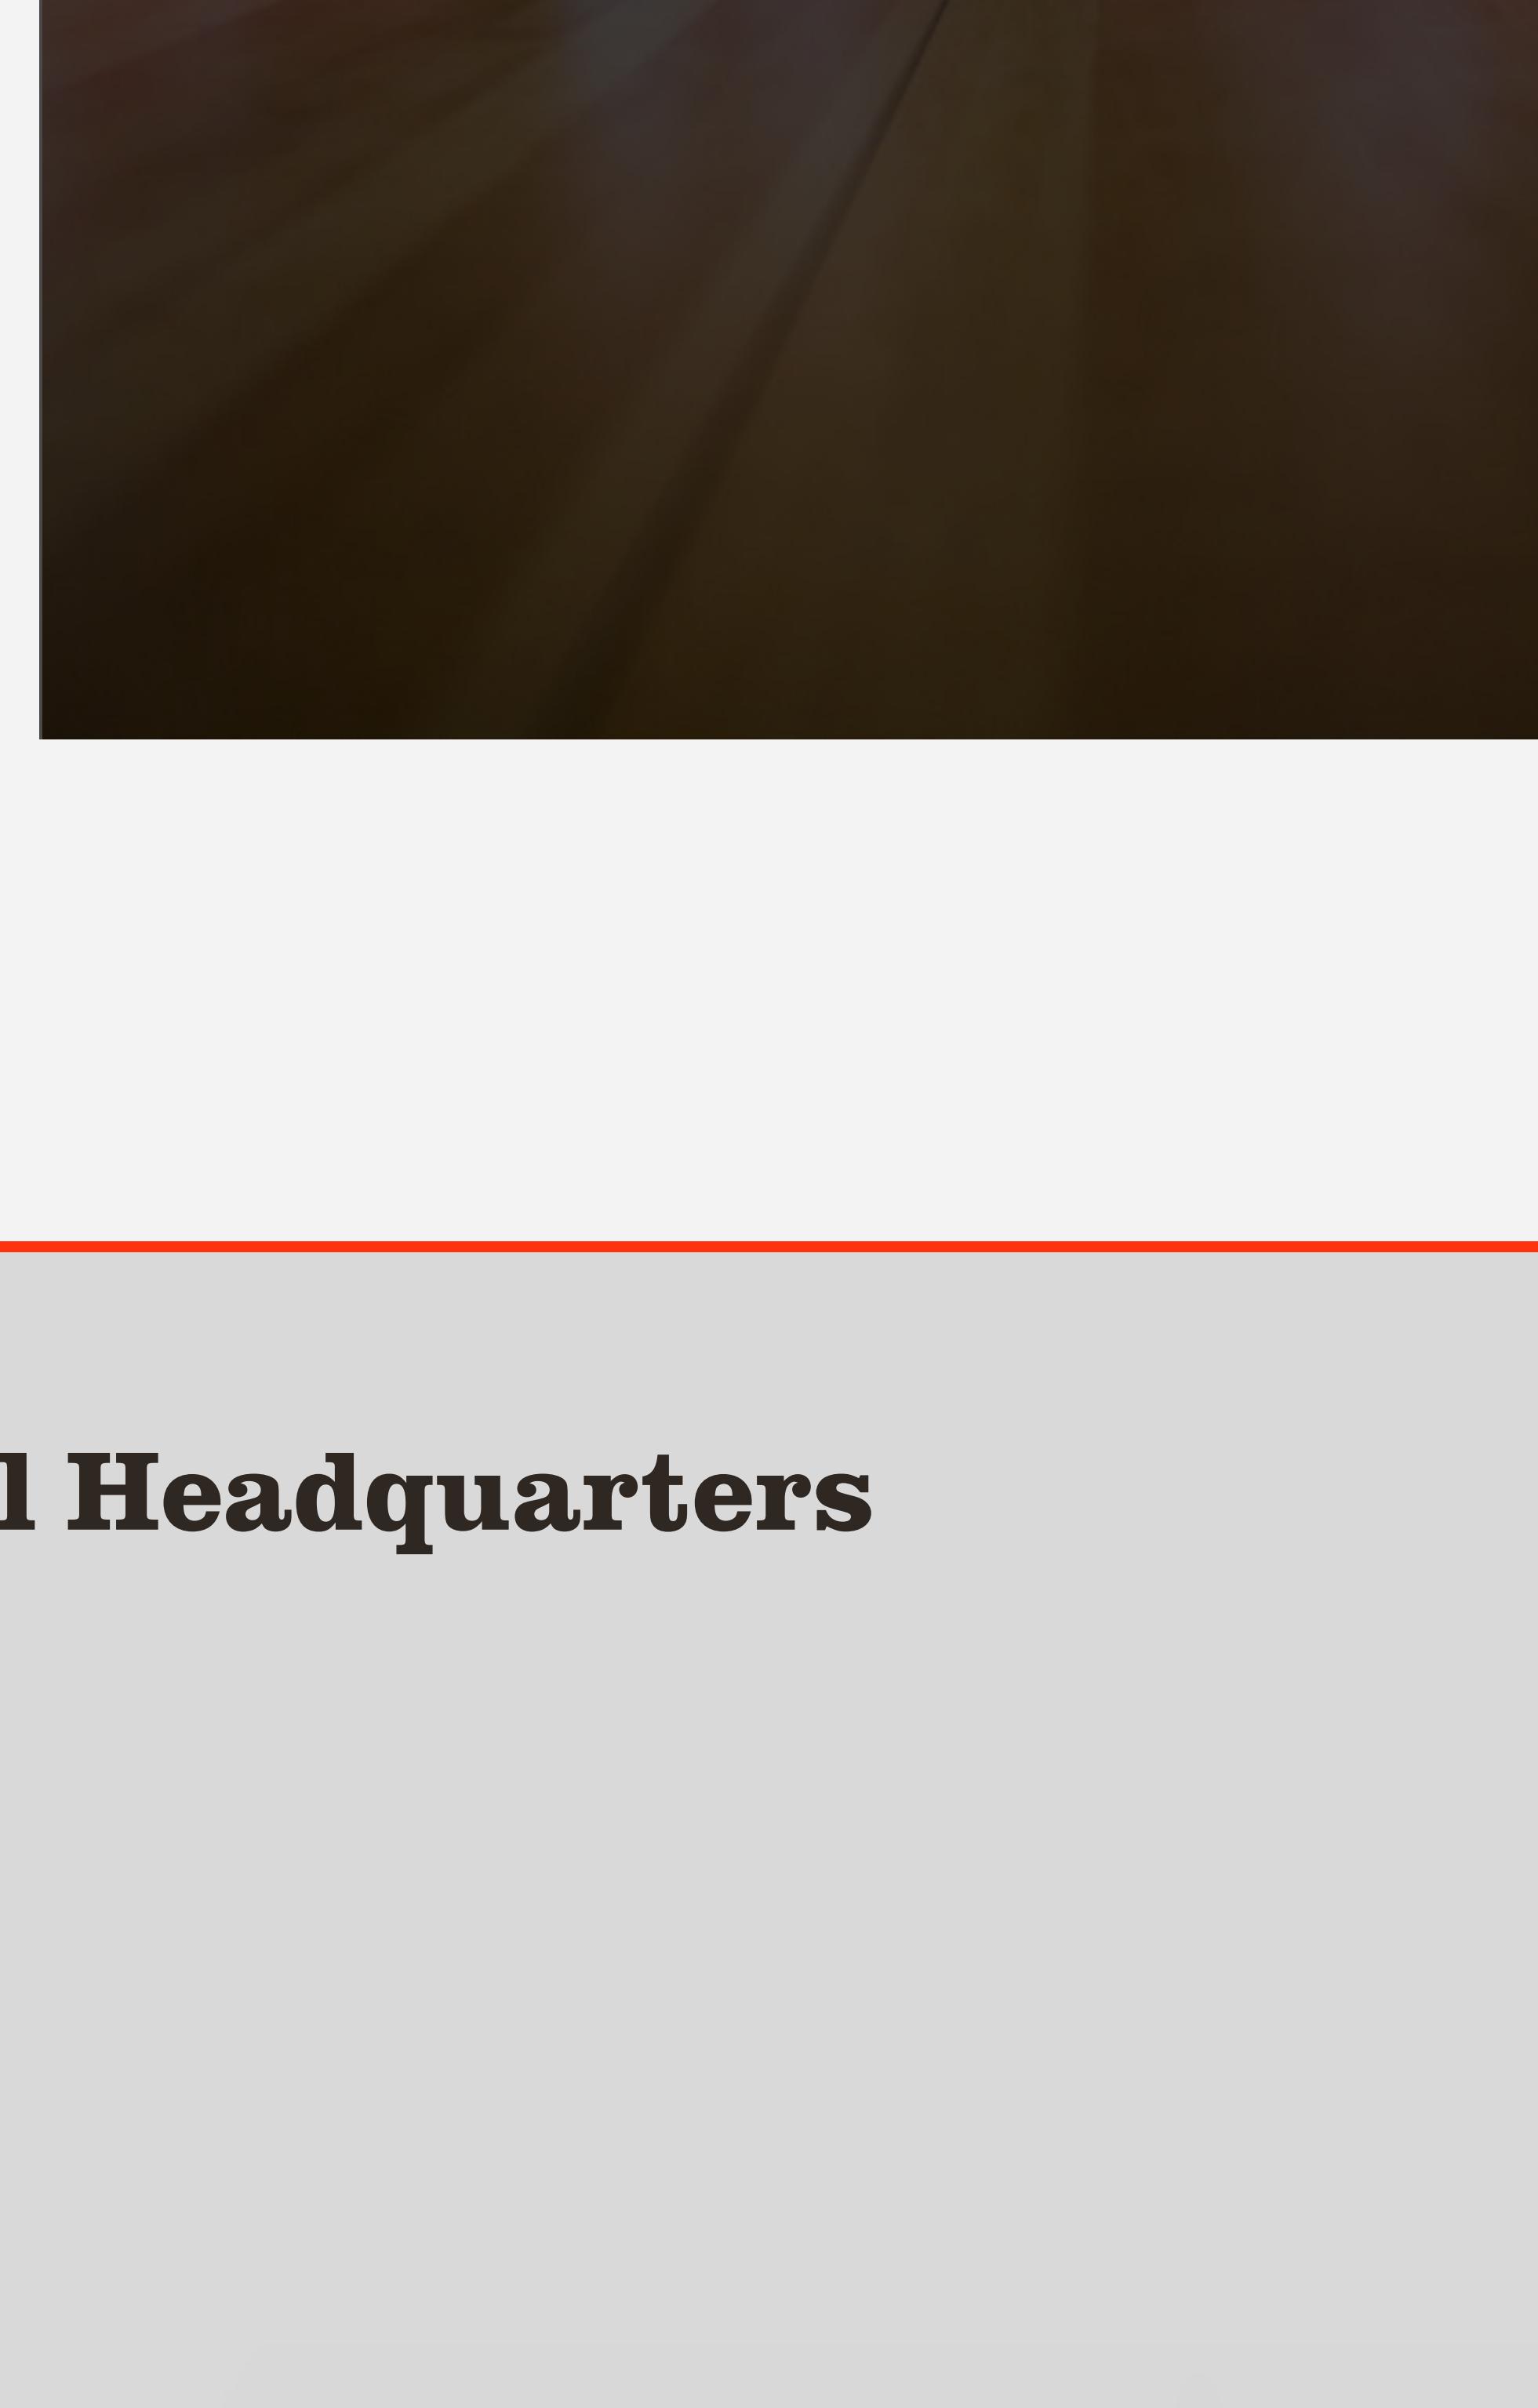

Like experienced bowling equipment manufacturer, we do this by:

Focusing on our customers' desires and needs  
Using our unmatched R & D capabilities to develop innovative, high-quality business-building solutions  
Evolving our business model to continually provide improved service in order to exceed customers' expectations  
Investing in our people and capabilities to drive future growth.
